

A Subsidiary of **SATS** 

Humitech Singapore Pte. Ltd,
247-B Pasir Panjang Road,
Singapore 118607

Dear James,

Testimonials of Recommendation for Humitech Product

I have had the opportunity to use one of your product, Cold Room Filters. With the use of the cold room filters in one of our vegetable chiller, the odor has been removed and the floor is being kept dry at all times.

The product stands out as an exceptional product and we will strongly recommend the product for the chillers.

Humitech Cold Room Filters not only has the capability of removing the smell but also contribute to energy saving too.

We are also happy with the service provided by Humitech Singapore.

Sincerely,

Gunaselan Raju
